Hongkong 4th August, 1860.

A. CARD. DROFESSOR WHRELER, would, respectfull attract the attention of the Hengkon Public to the importance of having the Hair Out and Dressed in an Artistic manner and style Appropriate to the Individual is the out of the Hair; there can be no fixed or prevailing fashion without destroying almost universally the harmony of the lout encemile. Indeed as diverse at is the contour of the human head and facial outline, fust sopeculiar should be the trim and arranges ment of the Hair. This fact is coted upon by only those Hair-Cutture who possess an inherent judgment in matters of taste, ouitivated and intproved by incessent study and application. Of this rare class, Professor WHEBLER, humbly claims to be one, and the Only One in this Colony, and he in ideatly but confidently invites all who may be distrustful of his ability to give him at least a trial before pronouncing an adverse opinion. He may be found at all house of the day in his Apartments adjoining the Private Entrance of the Oriental Hotel.

of 1900 Hongkong, 21st July, 1865. NUTIUE. BEING obliged to leave Hongkong on account D of ill health, I recommend all my patrons who wish their Hair Out and Dressed Artistically to call on Professor Wheeler, being the only one who thoroughly understands his Profession

The Tyrawly Herald says :-"We understand that this society, which has been so extensively developed all over the country, is the only power which has been consulted and became the subject of remark last Bunday from recognized. the pulpits of the several Catholic chapels in this neighbourhood. The clergymen condended it in bases on which the co-partitioning Powers have the strongest terms, and warned their flocks of the consequences of having any connexion with | it. It is time that samething were done to put the disregard thus manifested of the principles o down this illegal combination. The Trates Chronicle has the following :--

"On Sunday the Vicer-General and parish" priest of Traise, Father Mawe, addressed his flock | make any observations on this publicat to the Court with great earnestness and imprecsiveness, vet- to which you are credited, but are simply intended plations of the Fenish organisation. He warned yourself when an occasion shall arise. his congregation, especially the young men, against permitting themselves to be inveigled into a confederation, the objects of which were anti-religious as well as anti-social, and which almed at revolution through slaughter, and at the lating to the Gastein Convention has not been rities, aware of everything that was being done their diplomatic agents as long as no official comwould pound upon them whenever they became munication is made. The same reasoning is opor the respected portion of the community."- attributed to her, we do not think that the West-

Most of the Paris papers devote a portion of their leading columns to the " Penian" movement. Their articles as a rule are far from showing that | acquaintance with the subject and the o-mmon sense on which we have had occasion to congraquote the following from the Debats :-

What will come of all this ! It is a question of peril and serious embarrasement for Eingland ? gination and by fear, which disappear on closer still remain only a provisional meisure. Not that inspection? The English journals have two opimions on the subject, according as they wish to
provoke measures of severity, or to prove the unwishts of these Powers coincids with Austrian assailable might of England; at one moment they interests and with the desires of the populations sears in that the 'Fenians' are meditating the of all Germany that is not Prussian, we think it raising of an armed force of from 50,000 to 200. would be an inconceivable and unpardonable one men; at another they pretend that there is fault put to take those wishes into account." not a ningle class of the Irish population, whether shapkeepors, fermers, or gentry, which does not in denying the existence of the circular of M. profess a horror of Fenjanism. We ourselves are Drouge de Lhays. It says :rather disposed to consider it as one of those atrempts at free soldiering which was likely to fellaw, as an almost fatal consequence the sudden sion, would be an interference in a form as clear disbanding of the Federal armies. Wherever the and direct as possible. M. Dronyn de Lhuys 11HE OFFICE and GODOWN situated at the system of permanent armies exists, everything could never have sent it without a preliminary country of Wellington and Aberdeen Streets, combines to make the officer or soldier keep the ful armies are hastily disbauded after having been of fresh purchases in horses for the mobilisation hastily formed, they rarely full to leave behind of the French army. All those who are desirous petce when peace is once made; Wherever powerthem cartain elements in dissolution which ferment and deposit in the atmosphere the germs of fresh storms. It is then only a question of finding ont in what part of the world the storm will burst. If not in Mexico, it will be in Ireland. Viewed in tenburg; but they will also admit that the Minis. this light. Femianism appears to us a more serious | term of the French Empire are not in the habit of affair than people were at first inclined so sup- | writing leaders.

The Debats appears to us to everlook one rather moorkant fact, which would materially interfere with the " storm burning over Ireland viz., the fact that 2.000 miles, of salt water separate the "Emerald Isla" from America. Granting that Houses, Lands, Tenements, &c rious to indulge in "free soldiering" against England, how are they to get to Ireland !- The Constitutionnel also discusses the question at great length. The following extract will suffice to give an idea of the writer's argument :

"After all, what must we think of these Penians, who, according to the English journals, are subarb next to the Old Factory; consists of 9 Large at once contemptible and ridiculous, and against Divisions, from the front to the Rear part, whom some of the papers urge that severe mea-sures of repression and precastion should be ta-ken? In the first place, it is indisputable that first Division which is 60 feet wide and 65 feet in 40,000 and 00,000 picula capacity. the Irish emigrants, who are so numerous in length contains Drawing-rooms, Stories, Balco-America, where their native hatred against Eng- nies, Court-yards, Stair-ways, &c., &c., in the land has only become more intense, have there rear Division there are Parlors and Verandah of organised a vast association, having the deliver- 48 fost Wide and 60 feet in Length.
